**Attention: Aaron Duncan
Subject: Reference for Krystol Pty Ltd**

To whom it may concern,

Aaron Duncan in conjunction with Krystol Pty Ltd, provide sub contract works for our Building and Development firm Waterside Constructions and associated group of companies. During this time Krystol has carried the contracts of supply and installation of waterproofing concrete additives and membrane applications.

The projects consisting of Krystol's works are as follows: -

- 61 Residential apartments in Lusty Street Wolli Creek. (2005)
- 54 Luxury residential apartments in Donald Street Nelson Bay (2007)
- 62 Apartments in George Street Waterloo (2009)
- 37 Apartments in Cowper Street Marrickville (2010)
- Prestige luxury home in Bellevue Hill (2010)
- 158 Apartments in Joynton Ave Zetland (Stage 1) (2012)

Aaron and his employees have at all times shown diligence and professionalism in carrying out their sub contract works. His commitment to quality and program is reflected in his overall performance on the project.

Aaron continues to review and improve his and the companies safety on a daily basis. Items of Krystols' safety procedures include the following: -

- Work method statements
- Risk Assessments
- Project safety
- Company safety plans
- Material Safety Data Sheets

As a result of these tasks being carried out in an expedited and safe manner, I could strongly recommend Aaron and Krystol Pty Ltd to any future contract or employment he may pursue.

If you have any questions relating to Krystol or their work, please do not hesitate to contact the undersigned on 9318 8477.

Yours Faithfully,

Tony Johnson JP
General Manager
Waterside Constructions (NSW) Pty Ltd
